Education

University of Florida

Bachelor of Science in Computer Science / 3.5 GPA / Gainesville, FL

Experience

Academy4Achievement / Python Programming Tutor
11/2020 - 01/21

- Met with a struggling student 1-on-1 for many months where I assisted in learning the basics of the Python programming language twice a week for 2 hours a week

Long Island Bagel and Deli / Busboy and Dishwasher
03/2020 - 08/2020

- Cleaned tables, washed dishes, relocated food items, swept entire kitchen and dining room, and prepared certain food items 5 times a week for 40 hours a week

Leadership and Activities

Alpha Epsilon Pi Fraternity / Recruitment Lieutenant Master
05/2021 - 12/21

- Lead the fraternity throughout the entire summer by planning and organizing events for the brotherhood
- Worked with a $10,000 budget and controlled deposits coming in and out of an account
- Organized events with the intent to recruit new members

UF Hackathoners Club / Social Chair
01/21 - Current

- Planned social events for the club
- Worked with a budget
- Helped new members become accustomed to the club

TimeBlock / Developed a PWA designed to plan out your day and week (link)

BrickHack 7, Winhacks / Created DocVR, MonitorMe apps

Udemy.com / Took online courses on Python, Node JS, React JS, C++
